

VIS INTERNATIONAL SCHOOL ACADEMIC PROBATION POLICY

From 2nd ICE to 1st IB

Passage from the Cambridge ICE program to the IB Diploma Program is not an automatic process.

2nd ICE students are required a minimum result of Pass with Merit (minimum of 5 Cs) to pass unconditionally to 1st IB.

Should students not meet the minimum requirement and obtain a Pass result only, the School will consider each situation individually and decide, in the student's best interest, whether to admit the student in 1st IB on **Academic Probation** or to recommend the student repeat 2ndICE.

Being admitted to 1st IB on **Academic Probation** means that the student does not possess an adequate preparation for the course, but the School wishes to offer him/her the opportunity to attempt the 1st IB course. Should the student's performance not align with the average class level at the end of the first term the student will be advised on alternative tracks.

In exceptional cases, at the school's discretion, the evaluation period may be extended to the second term. Parents and students who are admitted on **Academic Probation** are asked to sign a form acknowledging the understanding of the process and accepting to change track if advised to do so.
